### **Notification to All B.Ed. Institutions Affiliated with HNBGU**

This is to inform all institutions affiliated with Hemvati Nandan Bahuguna Garhwal University (HNBGU) that offer the B.Ed. program that, as per the syllabus, pupil teachers are required to complete a two-week society and community visit during their internship in the third semester.

The community visit is scheduled from January 2, 2025, to January 14, 2025. Considering the school's winter vacations, pupil teachers must complete the following activities within two weeks to fulfil the society and community visit component, which external examiners will assess.

1. Registration on ULLAS (as directed by NCTE): Pupil teachers will self-register and identify at least one illiterate person in the nearby area, registering them on ULLAS.
2. Conducting an Awareness Program: Pupil teachers will design and conduct a role-play or simulation exercise to present government schemes in the community. A report on the program's effectiveness, including feedback from the community, must be submitted.
3. Conducting Community-Based Research: Pupil teachers will submit a research report that presents findings and suggestions on school enrollment ratios, literacy rates, or the impact of government schemes in their locality.

Please ensure that pupil teachers complete these activities within the stipulated timeframe.

Thanks for your cooperation.

Sincerely,

Prof. Sunita Godiyal

Head & Dean

School of Education
