

Dayanand Women's Training College, Dehradun

Academic Session 2024-2025

Institutional Distinctiveness

Dayanand Women's Training College, Dehradun—one of Uttarakhand's most prestigious all-women teacher education institution—demonstrates its distinctiveness through a robust and well-structured commitment to **Experiential Learning Integrated with Social Sensitisation**. This defining approach aligns with the institution's vision of preparing competent, culturally grounded, compassionate, and socially responsible teachers who contribute to the betterment of society.

The academic framework of the college is uniquely strengthened by its emphasis on learning beyond the classroom, enabling student-teachers to engage directly with communities, social realities, cultural heritage, and environmental concerns. Each activity is systematically organised, documented, and pedagogically linked to curricular outcomes.

Experiential Learning Initiatives

The institution ensures that students gain practical exposure through hands-on and community-based activities such as:

- **Scout and Guide Camp (started on 18 November 2024)** — A seven-day camp designed to build leadership, discipline, self-reliance, and collaborative skills among student-teachers.
- **Swachh Bharat Abhiyan (30 September to 02 October 2024)** — A college-wide cleanliness drive promoting civic responsibility and environmental consciousness.
- **Water Conservation & Jal Jeevan Mission Awareness Programme (14 August 2024)** — An environmental sensitisation session focusing on sustainable water usage and local water issues.
- **Human Rights Awareness Programme (10 December 2024)** — Conducted to strengthen student understanding of constitutional values and fundamental rights.
- **Mental Health and Well-Being Session (19 November 2024)** — Designed to address emotional resilience and stress-management skills among teacher trainees.
- **Visit to Prem Dham Old Age Home, Dehradun (24 October 2024)** — A transformative experiential exposure enabling students to empathise with senior citizens and understand social responsibilities toward the elderly.

These activities enrich students' understanding of society and help them connect theoretical concepts with lived experiences, fostering empathy, leadership, and reflective practice.

Cultural and Heritage-Based Learning

The college integrates the **Indian Knowledge System (IKS)** and cultural literacy into its distinctive practices through vibrant celebrations and creative engagements such as:

- **Hindi Diwas (14 September 2024)**
- **Uttarakhand Diwas (09 November 2024)**
- **Navratri & Garba Celebration (09 October 2024)**
- **Basant Panchami (03 February 2025)**
- **International Women's Day (08 March 2025)**

These events cultivate cultural pride, artistic expression, communication skills, and respect for traditional values.

Academic and Professional Enrichment

To enhance the professional preparedness of student teachers, the institution conducted:

- **Expert Lecture Series (August–December 2024)** featuring eminent academicians from education, psychology, and social sciences.
- **Career Guidance and Counselling Programme (30 April 2025)** to prepare students for teaching and competitive examinations.
- **Skill-Development Workshops** such as:
 - *7 days Traditional Indian Design Certificate Course (Started on 16 December 2024)*
 - *Herbal Colour Preparation Workshop (07 March 2025)*

These sessions expand students' vocational abilities, creativity, and pedagogical skills.

Conclusion

Through its integrated model of experiential learning, cultural immersion, community outreach, and academic enrichment, **Dayanand Women's Training College, Dehradun** has established a distinct institutional identity. The college ensures that its student-teachers evolve not only as academically competent professionals but also as empathetic, culturally aware, socially committed, and ethically responsible individuals.

This alignment of **experience, values, and pedagogy** stands as the hallmark of the institution's distinctiveness.
